After clicking ‘Continue’ you will be presented with a Premium Quote based on the deductible you selected. After reviewing quote information, you have the options to “Save Quote for later”, “Print Quote, and “Continue Application”. *Please do not provide mortgage/title companies with a quote in lieu of an invoice generated from the application.*

\$35 for residential

\$65 for commercial

Selecting 'Automated Clearing House (ACH) Payment' will take you to the ACH payment screen.

Filling-in and submitting bank account related data will result in an immediate debit of funds from the submitted banking account. The following types of checks are *not* electronically negotiable and should not be used to initiate an ACH transaction:

- Mortgagee (escrow) and other commercial entity checks
- 'Line of credit', 'home equity' checks
- Credit card checks

Type in and verify the appropriate banking account information. These values cannot be changed after clicking the 'Make a Payment' button so please *double and triple check* this information. Failure to submit this data correctly will result in an ACH charge back which creates a hassle for you, AIUA and the applicant.

Selecting 'Invoice Option', you will be presented with an on-screen 'Invoice' to email or print and mail to the mortgagee. In addition, the option to pay online via the Bill Payment Portal will be available upon submission for 30 days and displayed as a "Manual Invoice".

Selecting 'Credit Card Option', you will enter the card number, expiration date, and CVC code. Notice that the appropriate surcharge will be automatically included in the total charge. You will be required to click the 'checkbox' indicating you waive the right to dispute this credit/debit card transaction and agree to the

additional processor fees as indicated.

After completing a payment option, you will be presented with either an 'Evidence of Insurance', 'Mortgage Closing Binder' or 'Invoice' depending on your payment selection.

Click 'Print' to print a copy of the document for your records.

Click 'Print this Application' to print a copy of the application including information you filled out.

Click 'Close' when printing is complete.

Within a few minutes, a duplicate copy of the 'Evidence of Insurance', 'Mortgage Closing Binder' or 'Invoice' will be delivered to your email address. If you don't receive it, check any 'Spam' email delivery folders. As a precaution identify any mail received from aiua.org in your mail filter settings as 'safe'.

You've successfully submitted an AIUA E-Commerce application! To fill out another application, click the 'Fill out another application?' button.

*NOTE: Do not make multiple submissions for the same policy or mortgage closing binder. If you need changes made after you've submitted the application, please contact AIUA directly and we will issue a revised declarations page or revised binder.

Bill Payment Portal

AIUA Authorized Agents and Producers may submit premium payment(s) with ACH or a credit/debit card on behalf of an insured for any open invoices. This includes Renewals, Endorsements, Additional Premiums Owed, and New Business Applications submitted with the 'Invoice Option'.

From the AIUA homepage, scroll down to "Bill Payment" the middle icon on the second row. You'll need to log in using your provided credentials, choose your name from the drop-down list, and then you'll be able to see/search all open invoices available to pay. Please contact Customer Service (cs@aiua.org) or the Accounting Department (accounting@aiua.org) if you need to make a payment and do not see an invoice available online.

- Open invoices will remain on the portal for the following timeframes: Renewals until 5 business days past the expiration date of the policy, Endorsements 60 days, Additional Premiums Owed 30 days, New Business Applications 30 days, Manual Invoices 5 days.
- ACH does not require an additional fee, where a credit or debit card payment will incur approximately a 3% processing fee that is automatically calculated and added to the total amount due.
- Once payment has been made, the option to print a receipt for the customer is available.
- New business applications and mortgage closing binders now have more payment opportunities! A card or ACH payment can be made at the time of e-commerce submission; or if the invoice option is chosen, a 30-day manual invoice will be generated in the Bill Payment Portal so the producer may take payment at a later date.
- If a policy is marked escrowed (to be paid by the mortgagee), that renewal invoice will not be listed as an option to pay online. However, if the insured wishes to self-pay a manual invoice can be generated at the request of the producer.
- If a payment has already been made that invoice will not be listed as an option to pay online.
- For Renewal invoices: all deductible options available are listed. It defaults to the current selection. If the insured desires a different deductible, you may change it at this point.
Note the insured will still need to sign the renewal offer (or a change request form) confirming this adjustment.

Note Insureds will be directed to their servicing agent if they contact AIUA to make a payment.
